CENSUS HISTORY OF

JOHN BAYES, Sr.

John Bayes, Sr. was born in Feb. 1779 in PA. So far we have learned nothing of his childhood. Most of what we know has been gleaned from his will, estate papers and a few other bits of information from papers left by his children and local histories. The history of Holmes County states that the Bays/Bayes family came from Somerset County, PA to the west part of Salt Creek Twp., Holmes County, Ohio in 1813. There was John, Thomas and Samuel, each having a family and each owning 160 acres of land. Their nearest mill was at Zoar, twenty-five miles distant by trail road.

John was probably married about 1797 to Agnes, last name unknown. Agnes was born 26 Apr. 1768. John and Agnes had five children: James W., Thomas, Margaret, John, Jr. and Jonathan. Agnes died 26 July 1824, age 56yrs. and 3mo.. She is buried in the old Parker Methodist Cemetery, Paint Twp., Holmes County, OH. Her marker lies flat on the ground and the cemetery is overgrown with weeds.

After Agnes died John lived alone for a few years. During this time some of the families BAYES, McMILLEN, and KILPATRICK continued to live in and around Turkeyfoot Twp., Somerset Co., PA. Jane McMillen had married Uriah Stanton on Oct. 1818. They had four children: John, born 25 Mar. 1820 and died at age 15 on 18 Feb. 1835; Nancy, born 10 Oct. 1821 married George Zeigler in Mar. 1841, Nancy died in 1869; Susan, born 31 Jan. 1825, married Jacob Rush McMilen a first cousin, 9 Mar. 1843/7 and died 28 Feb. 1906. On Apr. 8, 1825 Uriah Stanton was thrown from his horse and killed while riding through Paddytown. He is buried in the Paddytown Cemetery. John Bayes, Sr. who had been a widower since 1824 married Uriah's widow, Jane (McMillen) Stanton on Oct. 8, 1826. John and Jane had three children: Stephen, born 28 Sept. 1827; Sarah born 14 Feb. 1830, married Samuel Bower on 7 Dec. 1848. Sarah died 29 Mar. 1850 and is buried in the old Parker Methodist Cemetery and Elizabeth born 26 May 1832. On the 18th of Apr. John and his wife Jane of the County of Holmes, State of Ohio for the sum of one dollar granted to five trustees one acre eleven rods of land located in the SW qtr. of sec. 32 Range 11 Twp. 15 to erect a house of worship for the use of the members of the Methodist Episcopal Church.

John made his will on 21 Dec. 1849 and died a little over a year later on Nov. 6, 1851. No location has been found for his final resting place.

HOW DO I WRITE A FAMILY HISTORY?

Several Important Points:

1. Native or Newcomer, we want your story!
2. When did your ancestors first come to our County? Why?
3. What contributions have they and you made to life in our County?
4. Include dates of birth, marriages, and deaths within your family.
5. Tell of Childhood Experiences, school-days and other incidents.
6. Include your job, residence and mode of transportation, hobbies, or pastimes.
7. Basically tell all you can so that future generations will know their ancestors. Any story that does not embarrass or harm any other individual will be published in the **Holmes County History**.

RUSH FAMILY

John Rush Family

Great-grandfather Jacob Rush was a rugged German from Alsace-Lorraine. He settled at Lakefork (Ashland Co.) about 1840. Grandfather John Rush Sr. was born in 1835. He married Mary Crumlick. Grandfather kept purchasing parts of the lake until he owned most of it. Around the year 1870 John Rush Sr. built a 50 room hotel and turned the west end of Odells Lake into a vacation and amusement park. People came by train from all over the country, as this was one of the first amusement parks in the area. The park had steam excursion and pleasure boats of all kinds all built by John Rush. He also built all of the furniture used in the hotel. John Rush Jr. was born in 1868. He married Ellen Kirkendall and worked as a carpenter in his early days. Kenneth Quinton Rush was born Oct. 13, 1900, the fourth child of ten; Verde, Clarence, Clovis, Bessie, Dallas, Elza, Warren, Grover and Aeolus. Around the time of Kenneth's birth John became manager of the Consolidated Ice Co. All of the Rush children had jobs to do at a very early age. Kenneth was only 5 years old when his dad took him along to work. Kenneth was just a teenager when he was made foreman and maintance man for the co. Kenneth's Dad was the greatest influence in his life. John died of lock-jaw at the age of 54. Another important influence was a man named Rev. Charles (Pat) McConnell, who was pastor of the Lakeville and Newkirk Methodist Churches from 1914 to around 1920. McConnell started the church camp at Odells Lake which was once the park property. The camp is still in operation today. He later wrote a book entitled "High Hours of Methodism." McConnell, along with Charlie Vaughn, Big Prairie school superintendent, organized the first basketball team in this area. Kenneth graduated from the Lakeville Special School in 1918. One of his favorite teachers was Lester Sutton, whom he later visited in his home in Minerva, Ohio until his death a few years ago. Kenneth married Mary Florence Glasgo,

daughter of Thomas and Minnie Glasgo on June 12, 1920, at her home in Millersburg by the Rev. Buehler. Kenneth worked for the ice co. until around 1924 when the coming of electricity put about 100 men out of work at the Lakeville plant. About 2 years later Kenneth and his brothers, Elza and Grover, formed their own contracting business. They built many commercial and residential buildings in Holmes and Wayne counties. The Rush brothers retired from the contracting business in 1974, having just completed Kenneth's nephew's, (Elza's son) John Rush, the 3rd house in Lakeville, on what was originally the Amanda (Rush) Odell property. Amanda was Kenneth's aunt. She married Hal Odell. The Odells were originally from England. Henry IV owned land in England and the United States, and when the lands were divided, this branch of the Odells acquired the land in America. The old Rush home, built over 100 years ago on the south side of the lake, is still standing and is occupied by members of the Rush family. Kenneth and Florence still live in the house on Depot Street that they purchased from S.P. Kopp 64 years ago. They both enjoy gardening, and Kenneth used his knowledge of carpentry as a hobby in his work-shop. He has many visitors each summer to see his miniature water wheel patterned after the large wheel which runs the grist mill at Millbrook. *Submitted by Lana Rush (585 words)* Note: An extra charge of 10¢ applies to 85 words of this story.

I Thomas Bayes of the County of Tuscarawas in the State of Ohio, do make and publish this my last will and testament in manner and form following that is to say.
First- It is my will that my funeral expenses and all my just debts be fully paid.
Second- I give, devise and bequeath to my wife Susanna Bayes in lieu of her dower the plantation on which we now reside, situate in Wayne Township in said County of Tuscarawas containing one hundred and thirty acres during her natural life, or so long as she shall remain my widow. Also all the live stock by me now owned also all the household and kitchen furniture and other items of household goods &c not particularly named in this will, together with all money, notes, accounts and all evidences of debt in my favor, during the time of her natural life, or so long as she shall remain my widow. She however disposing of or giving into the hands of my executor a sufficiency thereof to pay my just debts, as aforesaid, and also she is to pay the taxes on said land and provide for and educate my children in a proper and suitable manner, according to her ability so to do, and at the death or marriage of my said wife, all the property hereby bequeathed to her as aforesaid, or so much thereof as may then remain unexpended to be sold by my executors without appraisement at public or private sale as they may think best, as it is not my will that appraisers be appointed and the proceeds of such sale to be equally divided between my son Franklin Bayes and my daughter Amanda Bayes, provided my wife should again marry, then it is my will that she is to have one cow, six sheep, two beds and bedding together with the kitchen furniture, and at my wife's death or marriage it is my will that my executor either rent or sell, without appraisement for its reasonable value my real estate, and if they may think best not to sell said real estate until my said children arrive at lawful age, then it is my wish for them to defer said sale. It is my wish that my said executors do the best they can for my said children. And if my said executors defer the sale of said real estate until my children arrive at lawful, and at that time if they cannot agree as to dividing said land, then I wish my executors to sell the same as soon as they can, and divide the proceeds of such sale between my said children so that my son Franklin shall have \$210. more than an equal share: (provided however that nothing contained above shall deprive my said wife of the full use of said farm during her natural life, or so long she remains my widow, and to effectuate this my intention. I do hereby vest in my executors or either of them running the other full power and authority to dispose of my real estate in fee simple in as full and large a manner in every respect as I could do myself if living. And I do hereby make and ordain John Knestrick Jr. and Enoch I. Knestrick executors of this my last will and testament, provided my said children should die before arriving at lawful age and my wife should again marry, it is my will that my wife have an equal share with my two full brothers and one full sister that is my brother John Bayes, James W. Bayes and Margaret Comell. (Cornell)
To this my last will and testament written out by my own hand I hereunto set my hand and seal this twelfth day of August in the year of our Lord one thousand eight hundred and forty five (Interlining done before signing.)

Thomas Bayes (Seal)

Signed, sealed and delivered in the presence of us who have subscribed in presence of each other.

At a Court of Common Pleas begun and held at the court House in the town of New Philadelphia within and for the County of Tuscarawas and State of Ohio on the fifteenth day of October in the year of our Lord eighteen hundred and forty five, among other things there and then had were the following, to wit.

The last will and testament of Thomas Bayes dec'd. was this day brought into court and the witnesses to said will viz Daniel Zigler and George W. Knestrick the executors named in said will, that they give bond in the sum of eight thousand dollars with John Knestrick Sr. and Joseph Lewis as sureties who are approved as such. Mr. Bartlow has held the office of justice of the peace for nine years, and township treasurer for twelve years.

Bayes, Elliott, Clinton, Wauseon p. o., a pioneer, was born in Clinton township in 1840 and was a son of William W. and Mary (Tedrow) Bayes, who were born in Somerset county, Penn., and married in Holmes county, O., and settled in Clinton, Fulton county, in 1837 with one daughter, Elizabeth. They had a family of eight children, seven of whom are now living: Elizabeth A., Jane, Elliott, Isaac F., Meek, Mary and Melissa. Two of the sons, Elliott and Isaac F., enlisted. Mary died in 1869 aged fifty-four years and William W. died in 1885 aged seventy-six years. William W. purchased farms from the government, one of 160 acres, he paid \$1.50 per acre. He owned 240 acres in all. William W.'s father was Thomas, who settled in Clinton and was a justice of the peace and also held other minor offices. William was a prominent and influential man, very active in all church affairs, services being held in his house until they could find larger quarters. The town elections were also held at his log house for several years, such was the public spirit of the man. Elliott Bayes was married in 1871 to Frances M. Fraker, a daughter of Squire William and Nancy A. (Krutzer) Fraker, of Clinton township. They have had a family of four children: Nellie Inez, Harry M., Blaine G. and Mamie. Mr. Bayes has a farm of 85 acres and owns a part of the old homestead farm. He enlisted in the 130th Ohio Regiment on the one hundred days call and served for five months, at the end of which time his regiment was discharged.

Bayes, Stephen, Clinton, Wauseon p. o., an early settler in Clinton township, was born in Holmes county, in 1829, and was a son of James Wright and Elizabeth (Zeigler) Bayes. Elizabeth was born in Cumberland county and her husband in Somerset county, Penn. They were married in Holmes county in 1828, and with a family of five children settled in Clinton in 1844. They had eight children in all, six of whom are now living: Stephen, Harriet, Sarah S., Parker, Margaret and Philip. James died in 1886 at the age of seventy-nine years, and his wife, Elizabeth, died the same year aged seventy-one years. James was township treasurer and also held other minor offices. He purchased his farm of 160 acres on settlement for \$1.25 per acre, and Stephen now occupies 110 acres of the same, and which is one of the best farms in the county. Stephen was married in 1853 to Margaret Pocock who died in 1868 leaving a family of three children: James A., Cora and Carrie. He married his second wife, Mrs. Phebe (Cornell) Teadrow in 1867. They have had two children, Elizabeth M. and Eliza Jane. Phebe had by her first husband, Mr. Teadrow, two sons, Myron B. and Reasin I. The grandfather, John Bayes, died in Holmes county; he was born in Somerset county, Penn.

Bear, Clinton E., Ridgeville p. o., was born in Ridgeville, Henry county, in 1863, and was married in 1884, to Mary Graphius, who was born in Findley, Hancock county. They have had

I Thomas Bayes of the County of Tuscarawas in the State of Ohio, do make and publish this my last will and testament in manner and form following that is to say.

First- It is my will that my funeral expenses and all my just debts be fully paid.

Second- I give, devise and bequeath to my wife Susanna Bayes in lieu of her dower the plantation on which we now reside, situate in Wayne Township in said County of Tuscarawas containing one hundred and thirty acres during her natural life, or so long as she shall remain my widow. Also all the live stock by me now owned also all the household and kitchen furniture and other items of household goods &c not particularly named in this will, together with all money, notes, accounts and all evidences of debt in my favor, during the time of her natural life, or so long as she shall remain my widow. She however disposing of or giving into the hands of my executor a sufficiency thereof to pay my just debts, as aforesaid, and also she is to pay the taxes on said land and provide for and educate my children in a proper and suitable manner, according to her ability so to do, and at the death or marriage of my said wife, all the property hereby bequeathed to her as aforesaid, or so much thereof as may then remain unexpended to be sold by my executors without appraisalment at public or private sale as they may think best, as it is not my will that appraisers be appointed and the proceeds of such sale to be equally divided between my son Franklin Bayes and my daughter Amanda Bayes, provided my wife should again marry, then it is my will that she is to have one cow, six sheep, two beds and bedding together with the kitchen furniture, and at my wife's death or marriage it is my will that my executor either rent or sell, without appraisalment for its reasonable value my real estate, and if they may think best not to sell said real estate until my said children arrive at lawful age, then it is my wish for them to defer said sale. It is my wish that my said executors do the best they can for my said children. And if my said executors defer the sale of said real estate until my children arrive at lawful, and at that time if they cannot agree as to dividing said land, then I wish my executors to sell the same as soon as they can, and divide the proceeds of such sale between my said children so that my son Franklin shall have \$210. more than an equal share; (provided however that nothing contained above shall deprive my said wife of the full use of said farm during her natural life, or so long she remains my widow, and to effectuate this my intention. Early Settlers Thomas Bayes and his wife Lamenta settled in Clinton Twp in 1835 and resided o section 22. Born in Pa. moved to Ohio still there in 1888.

History of Fulton Co. Ohio

Thomas Bayes Sr. was born in 1775 in Pa. and in 1820 came with his wife, Ann McMillen into Ohio, settling in Holmes Co. His wife died in 1836 and he then, according to one account, sold his farm and in 1837 came into Clinton Twp. His son, Thomas jr., was however, seemingly in Clinton Twp in 1836 or before in company with William Mikesell, his brother-in-law. These two young men making "entry of fourteen eighty acre tracts for themselves and certain friends". Thomas Bayes Sr. did the first blacksmithing in the township in 1838 in a little log shop about forty rods distance from the Sept where eventually the residence of Elliot Bayes stood, and on the west side of the road. Thomas Bayes Sr. was one of the first trustees of Clinton Township.

PROMINENT MEMBERS OF WAUSEON CHURCH

James Cornell and wife Margaret Bayes, daughter of John Bayes Sr. (1779-51) of Holmes Co., O., probably were members of the early Methodist Church organizations. 1920 history of Fulton Co., O., states that they came to this locality in 1837. The Quarterly Conference of Wauseon Station Dec., 1876 states that James Cornell was an exhorter and steward. James Cornell was born in N. J., and his wife in Pennsylvania. She died in 1860 and he in 1880, he being 76 years old. They had seven children, four living in 1888, viz, J. C., Nancy, Charles and Catherine. In early life he was a tailor, later a farmer.

They came from Wayne Co., O., later Tuscarawas Co., O., by wagon, through dense forest, fording streams, dodging swamps, meeting Indians and all the time fighting malaria and fever. James Cornell built the first frame house in Clinton township, in 1843. This was the northern 240 acres of what eventually became the site of Wauseon. This was land south of Linfoot St., west of Shoop Ave., to Brunell St. It was purchased by James Cornell and Campbell Bayes of Hicksville Land Co., for \$3.50 per acre. James Cornell was a member of the Wauseon Council 1857 and 8 and in 1864 was Coroner. Also he was commissioner for two years. *REIGHARD HIST. VOL. I, 1920, pp. 217-218,*

Daniel Ritzenthaler, was received by letter by F. L. Harper in 1868. He and wife Louisa D. joined together and they belonged to Class No. 2, all the years following while Class names were listed in church records. The last entry seems to be 1880. He was a trustee under the pastorate of N. B. C. Love, and March 22, 1879 was elected to fill the vacancy made by the resignation of Thomas Bayes. Daniel Ritzenthaler was perhaps one of the best known business men of Wauseon for years. For fifty-four years he conducted a shoe store in the

A researcher with the [Fulton County Ohio Genealogical Society](#) sent me the information below concerning my [Cornell](#) ancestor. James Cornell information in the middle paragraph.

This means that James [Cornell Sr.](#), was the son of [Elijah Cornell](#) and Sarah [Miller](#).

 From bio of Edward Everett [Williams](#) in Mikesell's [Fulton Co \(Ohio\)](#) History

He married Miss Alice B. Meeks. the daughter of William J. Meeks, Jr., and Mary J. (Cornell) Meeks. William J. Meeks, Jr.. was born in Wayne county, April 4, 1832 and married Mary Jane Cornell. They had the following children: Flora B.: Albert M.; James, deceased ; Franklin and Alice B.. who is the wife of the subject of this sketch. Mr. Meeks was one of the leaders of the Democratic party of [Fulton County](#). President [Cleveland](#) recognizing his worth, appointed him postmaster of Wauseon, in which he was serving at the time of his death, in 1885. His father, William J. Meeks, Sr., was born in Fairfield county, O., in 1800, and died in [Fulton County](#) in 1875. Mary Jane (Cornell) Meeks was the daughter of James Cornell, Jr., and Margaret (Bayes) Cornell. James Cornell, Jr., was born in Trenton, N. J., January 26, 1805, and come to [Fulton County](#) in 1837, being one of the pioneer settlers of

Clinton township. His prominence in public affairs is shown by the fact that he served as county commissioner for three terms. He died at his home aged seventy-nine years.

His father, James Cornell, Sr., together with four brothers settled in Manhattan Island, N. Y. Ezra Cornell, the founder of Cornell university, was the son of one of these brothers and a first cousin of James Cornell, Jr., of Fulton County.

Margaret (Bayes) Cornell was the daughter of John and Nancy Jane (Wright) Bayes, of Somerset county, Pa., who located in Holmes county, OH., where John Bayes died in 1846. Thomas Bayes, the brother of John, settled in Clinton township in 1836. They were the sons of Jewell A. and Nancy (McMillin) Bayes. Jewell A. Grand old barn still 'working'

By TAMI BRIGLE
Times Reporter

Most barns built in 1837 are long gone, but the structure at Cornell Farms is standing tall, despite many changes.

Gaylen Cornell operates his family farm north of Edgerton with the help of his father, Alfred.

The family, Alfred explained, has a long history of farming. In 1834, his great-grandfather, also named Alfred, came to Ohio and settled in Denmark, a village that used to exist northeast of Edgerton. His son, Ferdinand, who is Alfred's grandfather, was born in Denmark.

Ferdinand farmed there for several years, but then moved west down the road to the existing farm on County Road F in 1837.

The farm consists of 140 acres, which is in three parts under one trust. The barn features four sections, with the biggest being the oldest.

Gaylen now grows corn, wheat and soybeans, but the farm used to be home to livestock as well.

One prize possession in the barn is a 1934 Massey-Harris tractor, which the Cornells said has been used on the farm since it was brand new.

But in the 75 years the tractor has been on the farm, a lot of other changes have taken place.

"There's been all kinds of modifications around here," Gaylen said.

A few small buildings have been taken down, other buildings were put up and the barn has undergone some additions and repairs.

Recently, Gaylen noticed the west wall of the main barn was in leaning outward due to some rotting wood at the base. A friend helped him jack up the barn and make repairs in order to prevent further damage.

"You could hear the whole barn creak when we lifted it up," Gaylen explained. But now it is back in shape, hopefully to last many more years.

The barn isn't the only thing that has changed on the farm. Gaylen is proud of the fact that he has worked to update the farm to keep things running at top notch. That includes installing almost 10,000 feet of tile.

"I've drained a lot of mud holes," Gaylen said.

Better equipment helps him work faster than his relatives did years ago. Gaylen said it's really nice to have things like ATVs to help get more work done around the farm.

"I spend a lot of time on toys," he said with a laugh.

But when Alfred was a boy, he remembers things weren't so easy.

"We used to raise 30 acres of corn," Al-

fred said. "That was a lot because you had to husk it by hand."

Just using a combine has made a lot of difference.

"They didn't have such things back then," Alfred said, adding he's glad his son takes advantage of new technology to make the farm more efficient.

"That's what all this is about," Gaylen said.

But Gaylen still relies on his father's experience to farm. He explained Alfred's records help calibrate his equipment to the right specifications,

Chickens, hogs, dairy cows, horses and laying hens could be found in the barn.

No animals have been housed in the structure since the late 1970s, Gaylen explained.

"Every once in a while a dog gets in there," he said.

The barn does see use today, but mostly as storage.

"Half of it's antiques and the other stuff I use," Gaylen said. A lot of old farm equipment still is in there, and he also has some cars waiting to be restored.

and his father is still known to check the depth of seed planting with his index finger.

Gaylen hopes to continue those basic practices as the farm for years to come.

"I was raised the old-fashioned way, and I grow good crops," he said.

Grand old barn

By TAMI BRIGLE
Times Reporter

Most barns built in 1837 are long gone, but the structure at Cornell Farms is standing tall, despite many changes.

Gaylen Cornell operates his family farm north of Edgerton with the help of his father, Alfred.

The family, Alfred explained, has a long history of farming. In 1834, his great-grandfather, also named Alfred, came to Ohio and settled in Denmark, a village that used to exist northeast of Edgerton. His son, Ferdinand, who is Alfred's grandfather, was born in Denmark.

Ferdinand farmed there for several years, but then moved west down the road to the existing farm on County Road F in 1837.

The farm consists of 140 acres, which is in three parts under one trust. The barn features four sections, with the biggest being the oldest.

Gaylen now grows corn, wheat and soybeans, but the farm used to be home to livestock as well.

One prize possession in the barn is a 1934 Massey-Harris tractor, which the Cornells said has been used on the farm since it was brand new.

But in the 75 years the tractor has been on the farm, a lot of other changes have taken place.

"There's been all kinds of modifications around here," Gaylen said.

A few small buildings have been taken down, other buildings were put up and the barn has undergone some additions and repairs.

Recently, Gaylen noticed the west wall of the main barn was in leaning outward due to some rotting wood at the base. A friend helped him jack up the barn and make repairs in order to prevent further damage.

"You could hear the whole barn creak when we lifted it up," Gaylen explained. But now it is back in shape, hopefully to last many more years.

The barn isn't the only thing that has changed on the farm. Gaylen is proud of the fact that he has worked to update the farm to keep things running at top notch. That includes installing almost 10,000 feet of tile.

"I've drained a lot of mud holes," Gaylen said.

Better equipment helps him work faster than his relatives did years ago. Gaylen said it's really nice to have things like ATVs to help get more work done around the farm.

"I spend a lot of time on toys," he said with a laugh.

But when Alfred was a boy, he remembers things weren't so easy.

"We used to raise 30 acres of corn," Al-

fred said. "That was a lot because you had to husk it by hand."

Just using a combine has made a lot of difference.

"They didn't have such things back then," Alfred said, adding he's glad his son takes advantage of new technology to make the farm more effi-

Chickens, hogs, dairy cows, horses and laying hens could be found in the barn.

No animals have been housed in the structure since the late 1970s, Gaylen explained.

"Every once in a while a dog gets in there," he said.

Hello Ro,

It is good to hear from you. It has been a busy year us here. A lot of snow and been real cold. I am now the Vice President of the Fulton County Historical Society and of course still doing the webpage for Fulton Co. Genealogy Society. Also have been real busy at work. Jason, my son, and his Marching Band season was also very busy with all the competitions and football games etc. I also do the newsletter for the Music Boosters and have been singing in the church choir so it all makes for a busy but interesting schedule.

Had Historical Soc meeting monday night, music booster meeting tonite and choir practice will be tomorrow night, Thursday I have to take son Matt to doctor appt and maybe friday I will stay home after work.

Sounds like your year must have been busy too but I am sure you enjoyed it. I look forward to hearing more about you experiences.

I will have to put a link to the DUV website on the page.
I will work at fixing Bob's name. I have the Bayes posted several places.

It seems like there are some more but I will have to get back to you.

My wifes 3rd great grandfather Eli HAMP was also in the Civil War but I need to find what Co. & Reg for him too. He was born March 21, 1832 and died August 17, 1910. He ran a Tavern in Fulton co and was charged with counterfeiting for which did some time in jail. Hamp line is colorful and full of several characters. Eli's mother was Euphrosina (Ivey Rosanna) Kittelberger and was know for her healing and nursing of the sick here in Fulton Co., kind of Florence Nightengale.

Eli Hamp married Bathsheba MEAD and had 7 children. Bathsheba was a large lady and was not allowed to go in Eli's tavern as she fraternized too much with the customers. She sat out front smoking her corncob pipe and banged on the wall with empty pitcher when she wanted a refill of beer.

There son Franklin HAMP married Nancy Templeton and they had 3 children. Franklin got tired of Nancy's flirting ways and left her for the west where he supposedly married an Indian girl and had several more children. Nancy, leading a life of prostitution and drinking, could not care for her children and 2 of them ended up in the county infirmiry with Judy's great grandfather staying with Eli and Bathsheba to be raised. The other 2, Eugene was sent to an orphanage in Boston and Basha Viola was raised by the Harry G. & Mary E. Aldrich family. Harry was the Sheriff in Wauseon.

Nancy TEMPLETON was the granddaughter John Templeton. According to family accounts he was unusually robust and very strong. He was about 6 ft. 7 in.

1/4/2003

tall and weighed over 450 lbs. It was said that he could lift the rear end of a loaded wagon and could lift a 1000 lbs. His powerful chest measured 72 inches. He started the Fatmans Society. John's grandfather was Nathaniel TEMPLETON, He was a Private Ranger in the Frontiers; Private 1st class, 2nd Co., 3rd Battalion from Washington County, Pennsylvania. He served in Col. Crawford's army that fought the Indians in Ohio during early summer, May and June of 1782. the battle was often called the Battle of Sandusky Plains. Col. Crawford was taken prisoner and burned at he stake. Nathaniel was wounded during the fighting of the first day, and for several days he managed to hide himself. But becoming weak from the loss of blood and exposure, on the third day he was found and taken prisoner. The Indians scalped him. His body was found several days later on the field of battle by his comrads.

Quite a mixture of characters.

Write again soon,

Sincerely

Mark
